Reply has been filed in Court today which is taken on record. A copy of the same has been given to the counsel for the petitioner.

In para-5 of the reply it has been stated that after the receipt of no objection affidavits from Satish Kumar and Vinay Kumar i.e. the persons to whom the property had been sold earlier, process has been initiated to cancel two mutations No.21635 and 21644 pertaining to land measuring 37.5 sq.yds. and 47.5 sq.yds. respectively. It has further been stated that subsequent to the cancellation , the area would be transferred back in the name of Davinder Kaur, the original

owner and thereafter the necessary proceedings would be adopted to sanction the mutation in the name of the petitioner.

This has resulted in the satisfaction of the claim of the petitioner.

The writ petition is therefore, disposed of as having become infructuous. However, directions are given to the respondents to complete the necessary process as expeditiously as possibly, preferably within two months from today.
